

Medical Questionnaire
Strictly Private and Confidential

Name		<i>(Please Print)</i>
-------------	--	-----------------------

The completion of this questionnaire relating to your state of health and medical background is a pre-condition to your employment by Entrust UK Limited. Please answer the following questions clearly, read the notes at the foot of this page, and then sign and date the form.

Please circle boxes as appropriate

Mobility - Are you able to climb stairs unaided	Yes	No
Hearing - Can you hear doorbells, door knockers, etc.	Yes	No
Eyesight - Can you see and read clearly i.e. checking i.d.	Yes	No

A requirement of the role is that you spend almost all your time on client premises alone. Therefore, please identify any medical areas which may cause difficulty. This will not affect your application for employment but a medical professional will be consulted for confirmation of your suitability for this role. This may be an Entrust UK doctor or your own G.P.

Fainting, fits or blackouts (including epilepsy)	Yes	No
Depression, mental or nervous disorder	Yes	No
Asthma, bronchitis or persistent cough	Yes	No
Diabetes, diarrhoea, jaundice or hepatitis	Yes	No
Joint or back complaint	Yes	No
Are you taking any drugs or undergoing any relevant medical treatments	Yes	No
Have you suffered from any serious accident, physical or mental illness, or been an in-patient at hospital during the past five years	Yes	No

All Candidates

If you do not wish to be specific about any medical condition, please confirm that you have no medical condition which could cause you difficulty whilst working alone. **Yes/No**

If we need to contact your family doctor, please give details below. Giving the details is also giving your permission for your doctor to be contacted for further investigation if required.

Family Doctors name	
Address	
Telephone number	

The information you provide in this signed medical questionnaire will be relied upon by Entrust UK Limited in its decision to engage you in employment. In the event that it is found to misrepresent your true state of health and medical condition, Entrust UK Limited may take medical advice and reserves the right to terminate your contract.
